

14 November 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 14 November 1967

[REDACTED]

25X

DD/I told the Director that a paper on Hanoi's attitude toward the war was provided to Walt Rostow yesterday.

Godfrey drew attention to increased Viet Cong activity in certain coastal provinces in South Vietnam. The matter is being examined to determine whether there is any relationship to the large-unit operations now taking place in the Dak To area.

Kent asked the Director about the status of NIE 14-3. The Director said that he wanted to meet with the interested parties after the Morning Meeting today.

Carver discussed arrangements made with the Operations Center to handle the Vietnamese take during off-duty hours.

Carver commented on his weekly meetings yesterday with Secretary McNamara, Walt Rostow, and Harold Kaplan in the White House.
